The Badge of Honesty

Is on every wrapper of Doctor Pierce's Golden Medical Discovery because a full list of the ingredients composing it is printed there in plain English. Forty years of experience has proven its superior worth as a blood purifier and invigorating tonic for the cure of stomach disorders and all liver ills. It builds up the run-down system as no other tonic can in which alcohol is used. The active medicinal principles of native roots such as Golden Seal and Queen's root, Stone and Mandrake root, Bloodroot and Black Cherry bark are extracted and preserved by the use of chemically pure, triple-refined glycerine. Send to Dr. R. V. Pierce at Buffalo, N. Y., for free booklet which quotes extracts from well-known medical authorities such as Dr. Bartholow, King, Scudder, Coe, Ellingwood and a host of others, showing that these roots can be depended upon for their curative action in all weak states of the stomach, accompanied by indigestion or dyspepsia as well as in all bilious or liver complaints and in all "wasting diseases" where there is loss of flesh and gradual running down of strength and system.

The "Golden Medical Discovery" makes rich, pure blood and so invigorates and regulates the stomach, liver and bowels, and through them, the whole system. Thus all skin affections, blotches, pimples and eruptions as well as scrofulous swellings and old open running sores or ulcers are cured and healed. In treating old running sores or ulcers, it is well to insure their healing by applying to them Dr. Pierce's All-Healing Salve. If your druggist don't happen to have this Salve in stock, send fifty-four cents in postage stamps to Dr. R. V. Pierce, Invalids' Hotel and Surgical Institute, Buffalo, N. Y., and a large box of the "All-Healing Salve" will reach you by return post.

You can't afford to accept a secret nostrum as a substitute for this non-alcoholic, medicine of known composition, not even though the urgent dealer may thereby make a little bigger profit.

Dr. Pierce's Pleasant Pellets regulate and invigorate stomach, liver and bowels. Sugar-coated, tiny granules, easy to take as candy.

BALLOON ACCIDENTS.

The Independence Day celebration in Big Stone Gap, Va., was marred by one fatality and two narrow escapes from serious injury. Albert Cox, a farmer living near East Stone Gap, was killed by a fall of about forty feet from a balloon, his foot having become entangled in the ropes connecting the bag and the parachute while assisting in holding the balloon during the process of inflation. He was released high in the air when the ropes tightened from the weight of the parachute and fell, striking upon his head and shoulders. He died in a few minutes.

In the presence of 10,000 persons gathered on the beach at Santa Cruz, Cal., to celebrate the Fourth, Jesse Wyman, ten years old, was caught in the ropes of a balloon and carried head downward 100 feet in the air. Scores of women, among them the boy's mother, fainted as they saw the little fellow carried away. The crowd expected to see him dashed to the ground, but the ropes seemed to be securely fastened about his legs, and he soon got himself in an upright position. As the balloon drifted out over the ocean, Virgil Moore, the aeronaut, drew the boy up to him close to his side on the trapeze bar. After drifting for a third of a mile a gust of wind blew the balloon on its side and it slowly descended to the water as the gas escaped. A launch from the naval training ship Alert had followed the balloon and dashed up as the aeronaut and the boy touched the water and saved them.

FOURTH OF JULY HORRORS.

Charles Mullion, 17 years old, who was injured Monday night by an exploding cannon, in Camden, N. J., died yesterday from a fractured skull and internal injuries, making three deaths as a result of the accident. As was stated in the Gazette, Mrs. Emma Hebel and her 6-week-old infant were instantly killed when the cannon exploded, each being struck on the head by flying pieces of iron. In Philadelphia and Camden five persons were killed and more than fifty injured.

The total fire loss, according to the underwriters of Pittsburgh, Pa., due to the Independence Day celebration is estimated at \$50,000. This does not include cases in which the damage was less than \$100.

An infant was killed while the mother watched a pyrotechnical display. A skyrocket stick struck the baby on the head, fracturing its skull. The list of injured in and about Pittsburgh will total close to 300. Of this number there may be several deaths.

Driven into a nervous frenzy by the noise of firecrackers yesterday, Miss Agnes Campbell, living in west Fifty-fourth street, New York, pressed a revolver to her temple and pulled the trigger, sending a bullet into her head. The wounded woman was taken to Flower Hospital, where it was said she would probably die. Miss Campbell inherited a tendency toward nervousness from her parents. She also inherited a strange antipathy to the Fourth of July. Three years ago on the Fourth her father committed suicide to escape the noise of firecrackers.

ON TRIAL FOR OLD CRIME.
After living for 11 years in Alabama under an assumed name, during which time he accumulated a fortune and became prominent in the community, J. B. Hill, a former citizen of Elberton, Ga., has been brought to Elberton, Ga., and lodged in jail to be tried for complicity in murder committed years ago.

Eleven years ago Hill and his son-in-law, Brook, were charged with killing Leo Crook, a wealthy planter. It is admitted Brook did the actual killing, but it is charged that Hill was accessory. Brook escaped and has never been heard from. Hill was arrested but escaped before trial and went to Alabama, settling near Guntersville and assuming the name of James Lind.

Later he went back to Georgia for his wife and children. Mrs. Hill posed as a widow and her husband remarried his own wife in Alabama under the name of Lind to avoid suspicion.

Hill, after going to Alabama, accumulated money. He now owns over 1,000 acres of farming land.

WEDS ON 3 DAY VACATION.
A Fourth of July vacation cost Alexander B. McLaughlin, who is employed in a brokerage office on Chestnut street, Philadelphia, his liberty as a bachelor last night. McLaughlin went to Baltimore on Saturday to spend the Fourth with his friend, Edward G. Bowers, jr. In the afternoon he accompanied Mr. Bowers to his office, and there saw, and was immediately conquered by Miss Zita O. Eaton, stenographer. Lovemaking started at once. On the following day McLaughlin dined with Miss Eaton at the home of her father, Thomas B. Eaton, who is supervisor of the Manual Training School at Canton. On Monday he proposed, and refused to listen to any delay. That evening they were married at St. Bridget's Catholic Church at Canton, by Father McNamara. The bridal pair departed last night for their wedding trip, after which they will reside at 3125 Camac street, Tioga.
